# ORKNEY FOODIES

Guide 2018/19

# WELCOME TO THE ORKNEY FOODIES GUIDE 2018/19

Orkney is famed the world over for its wonderful food and drink, with many of our larger local producers and famous flagship brands successfully representing the islands in national and international marketplaces.

But Orkney is also home to an incredible range of much smaller (or peedie) food and drink businesses, all equally proud of their carefully crafted, high quality produce. There are also numerous hotels, cafés, restaurants and delicatessens offering the very best of Orkney food and drink, along with top class customer service.

From chocolate, chutney and cheese, to bere meal, bakery goods and even buffalo burgers, the sheer diversity of fabulous food and drink available from our peedie producers means you'll never run out of new things to try (and hopefully buy) during your stay in the islands. Eat, drink, be merry and remember to come back again. You're always welcome.
